

« Dear Patricia Savin,

I would like to congratulate you on having been selected by your peers for inclusion in the first edition of the *Best Lawyers*® list for France in the practice area of Environmental Law. Published for more than a quarter of a century, *Best Lawyers in America*® has been regarded as “the most respected referral list of attorneys in practice,” according to *The American Lawyer*. »

Best Lawyers also reaches the largest, targeted audience of any peer review publication in the legal profession. *Les Echos* will be running the entire French list both in print and online on March 23.

In addition, *L'Agefi* will run an article on March 18, 2010, describing our list and our methodology. *L'Agefi* will also be listing the lawyer in each major practice area who has been named “Lawyer of the Year” because he or she has received an especially high vote average from an especially large group of lawyers.

These two French publications will join the more than 75 regional and city publications that release our lists, together reaching more than 26 million influential print readers worldwide. *Best Lawyers* is also excerpted monthly in *Corporate Counsel Magazine*, reaching more than 88,000 general counsel.

Selection to *Best Lawyers* is based on an exhaustive and rigorous peer-review survey comprising more than 100,000 confidential evaluations by 941 top attorneys in France. Because no fee or purchase is required, being listed in *Best Lawyers* is considered a singular honor.

In addition to the millions of visitors who come to BestLawyers.com each year, our search engine now appears on the homepage of Law.com and on USNews.com which receive almost eight million unique visitors every month, as well as, on dozens of prominent international websites: AFR.com (Australia), Expansion.com (Spain), FinancialPost.com (Canada), Handelsblatt.com (Germany), and many [others](#).

Again, congratulations on being selected by your peers for inclusion in *Best Lawyers*.
